Mr T Wilson,  
Stockport MBC (Parks & Recreation)  
Stopford House  
Piccadilly  
Stockport  
SK1 3XE

Dear Tom,

I understand that there is a possibility of closing the public toilets in Marple Memorial Park. As the bowling pavilion does not have its own toilets, the public facilities are used by the local and visiting bowlers.

The bowlers at Marple have two teams in the veterans' section of the Cheadle and Gatley bowling league, playing every Wednesday afternoon from April to September. They would find it difficult to continue without toilet facilities reasonably close to hand.

I hope that in any review of the facilities at Marple you will be able to take our views into account and help to ensure continued bowling in the park.

Yours sincerely,

Ross Kavanagh
